A Superb Resource for Home Play

I just finished reading this and it's outstanding! Dr. Marsh--a sexologist and hypnotherapist--has produced a practical, broad-ranging guide on using hypnosis to build connection and intimacy and enhance sexual fun. It's an easy read and more relatable than the ubiquitous "erotic hypno" books that focus on orgasm-driven parlor tricks and "mind control" fantasy. Packed with resources and easy-to-use techniques to explore with partners or solo. LGBTQ+ and alternative lifestyle friendly, too. It's a powerful resource that I'll be recommending to many of my sex coaching clients. —Teri Temple, certified hypnotist

Her qualifications, human approach to sexual problems, and ability to ALWAYS know where are all the scientific paper specific to anything is impressive! I'm reading Entrancing and loving it. —Marcos Carvalho, Ph.D., sex therapist, Brazil
